## Fees.

My current regular fees are as follows. You will be given advance notice if my fees should change.

**Initial Assessment:** For a session of 60 minutes, the fee is \$100. Please pay for each session before the session. I suggest you use PayPal, Venmo, or CashApp. I will send you the information you need from me to help you successfully make the payment. Other payment or fee arrangements must be worked out before the beginning of the first session.

**Individual Therapy:** For a session of 50 minutes, the fee is \$75. Please pay for each session before the session. I suggest you use PayPal, Venmo, or CashApp. I will send you the information you need from me to help you successfully make the payment. Other payment or fee arrangements must be worked out before the beginning of the first session.

**Group Therapy.** For a session of 60 minutes, the fee is \$15 per participant unless otherwise specified. Please pay for each session before the session. I suggest you use PayPal, Venmo, or CashApp. I will send you the information you need from me to help you successfully make the payment. Other payment or fee arrangements must be worked out before the beginning of the first session.

**Family Therapy:** For a session of 50 minutes, the fee is \$125. Please pay for each session before the session. I suggest you use PayPal, Venmo, or CashApp. I will send you the information you need from me to help you successfully make the payment. Other payment or fee arrangements must be worked out before the beginning of the first session.
